Experience

Adobe — Boston, MA
Student Ambassador — May 2026 – Present
- Conceptualize, budget, and host high-impact interactive workshops and campus pop-up events, educating peers on advanced workflows in Adobe Illustrator, InDesign, and Photoshop
- Drive on-campus user acquisition and product adoption for the Adobe Creative Cloud ecosystem, increasing active weekly users among the student population
- Build and maintain partnerships with student leaders, academic departments, and creative clubs to integrate Adobe Creative Cloud tools into existing coursework and projects

Northeastern University — Boston, MA
Social Media & Events Coordinator Co-op — July 2026 – Present
- Produced engaging digital media covering campus life, student events, and program recaps to inform incoming student cohorts on what to expect during arrival in Boston
- Managed multi-platform social channels, scheduling posts, monitoring trends, and analyzing content performance to optimize reach across student communities
- Supported execution of campus-wide events, serving as the primary media coordinator to capture live photos/video and ensure seamless event delivery

Northeastern Goldies Dance Team — Boston, MA
Graphic Design Chair — August 2025 – June 2026
- Develop visual graphics for performances, auditions, and campus-wide events, aligning with team theme to increase student visibility, attendance, and overall engagement
- Produce promotional reels and static graphics utilizing Adobe Illustrator to highlight team choreography and performance highlights
- Manage multiple design templates while meeting tight event-driven deadlines

Brandroll - Internship Scholars Program (ISP) — Remote
Social Media Marketing Intern — June 2023 – August 2023
- Led community engagement initiatives across social platforms while maintaining a brand voice for a growing startup company, leading to increased audience interaction and brand recognition
- Executed promotional strategies for a corporate newsletter with 12,000+ subscribers

Creative Art Works (CAW) — Bayside, NY
Graphic Design Intern — February 2023 – May 2023
- Received Best Narrative Award and selected as Finalist for Overall Achievement
- Mastered Adobe Creative Cloud applications, including Photoshop, to design high-fidelity assets
- Spent over 300+ hours collaborating on the creation of a virtual reality and original character designs, contributing to narrative development, visual assets, and final project execution
